Sale Rules 2013

1. **Entry Eligibility Requirements:**

Rams: Every breeder has a basic allocation of **one registered ram per breed**. For additional rams of the **same breed**, **two registered ewes of the same breed must be consigned**.

Ewes: Both registered and commercial ewes will be accepted.

Entry Fee: An entry fee of \$10.⁰⁰ per **Registered** ewe or ram and \$10 **per lot for commercial entries** must accompany sale application. The fee being fundable (**Only**) to members of PSBANS if the animal **is sold** through the sale.

2 **Consignors are required to provide:**

- (a) **Original Certificates of Registration** with the animal on delivery to the sale. Without the original certificate the animal will not be sold.
- (b) **Signed Transfers.**
- (c) **A Cheque** (including taxes) made payable to **Canadian Livestock Records Corporation (CLRC)**. These will be processed by the Sale Committee following the sale, forwarded to CLRC, Ottawa, and then forwarded to respective buyers.
- (d) All animals consigned **must** be in the sale barn by **6pm** on Friday. In case of emergency (i.e. truck break down) you may call 902-890-0303.

3. **Sale Commission is 10%.** However, if a lamb is sold on behalf of a Nova Scotia 4-H Member, and is his/her own current 4-H lamb, no commission will be charged.

4. **Order of Sale:** Animals will be sold in catalogue order. From year to year the order of breeds and consignors is rotated alphabetically. In 2013 the breed selling order begins with **“K”**. The consignors' selling order, within breed, advances 5 letters alphabetical each year. This year begins with surname first letter **“J”**.

5 **Substitutions** (which are allowed within breed) and **changes** (in lot sizes) must be communicated to the Sale Secretary prior to culling committee check and will be posted on the pen and near the Sale Information desk by the sale secretary

6. Consignors may provide **performance data** for all consigned animals at the pens.

7 **Consignors are to be present** for vet check and to help mark the **lot number** on back of their sheep.

8. Consignors **must accompany their animals** through the ring and back to the pens.

9. No sheep to which the rights to show are reserved will be permitted in the sale.

10 Any animal entered in the sale is the **responsibility** of the seller until the animal is sold, at which time the buyer assumes responsibility for the sheep.

11. No sheep, except those consigned to the sale, will be allowed on the grounds on Sale Day.

12. The Association does not allow individual sellers to place minimum **reserve bids** on animals, however the Association has set a minimum bid of \$250 on all rams.

13. **Slick shearing** of sire breeds is not required , but is recommended.
14. All **complaints** must be made to the Sale Committee within two hours of the end of the Sale, or before the animals are removed from the Sales facilities, whichever is sooner.
15. Buyers must obtain a **buyer number** at the Sale office before the Sale starts and give the office staff the exact name and address to which registered stock should be transferred.
16. All **animals leaving the barn** must be checked by sale committee before loading. Animals can be removed **only** after the sale or by prearrangement with the Sale Secretary.
17. **Culling:** The consignor guarantees all animals entered. Should the Sale Committee find any animals unacceptable under the following criteria, they will be removed from the sale.

(Health Concerns) Recommendations of the Veterinarian on health concerns will be accepted by the Culling Committee and the veterinarian's judgment will be final.

Checklist:

<u>Overall health:</u>	respiratory problems, diarrhea, body conditions, eye problems, external parasites, hernia, lesions (e.g. orf)
<u>Reproductive Health:</u>	testicles, penis.
<u>Feet:</u>	evidence of footrot, lameness
<u>Mouth:</u>	lesions and abscesses
<u>Conformation:</u>	evident defects to refer to the culling committee.

(Conformation) Recommendations of the veterinarian on conformation defects will be taken under advisement, however, the culling committee will make the final decision with regard to conformation.

Checklist:

<u>Defects:</u>	applicable for any sheep, regardless of breed.
<u>Mouth:</u>	broken mouth, severe over or under bite
<u>Feet and Legs</u>	
<u>Udder</u>	

(Commercials:) The culling committee will look over commercial ewes for obvious signs of ill health, but cannot give the same individual attention as to purebreds.

- 18 **Phone BidS:** For those unable to attend the Sale, phone bids may be handled by

RÈGLEMENTS DE VENTE 2013

1. Conditions d'admissibilité :

Béliers : Un quota de base d'un (1) bélier enregistré par race est alloué à chaque éleveur. Pour chaque bélier additionnel de la même race, deux brebis enregistrées de la même race devront être mises en consignation.

Brebis : Les brebis de race pure enregistrées et les brebis croisées sont admissibles.

Frais d'inscription : Une somme de 10 \$ par brebis ou bélier enregistré et une somme de 10 \$ par lot doit accompagner le formulaire d'inscription. Ces frais d'inscription seront remboursés aux membres de PSBANS seulement, si l'animal est vendu sur place.

2. Les consignateurs doivent fournir :

- (a) **L'original des certificats d'enregistrement** doit être présenté avec l'animal avant la mise aux enchères. Faute de quoi, l'animal ne pourra être vendu.
- (b) **Les actes de transfert dûment signés.**
- (c) **Un chèque** (incluant les taxes) fait à l'ordre de la **Société canadienne d'enregistrement des animaux**. Suivant la vente, le comité de vente s'occupera d'envoyer la documentation à la S.C.E.A., à Ottawa, puis de la renvoyer aux acheteurs.
- (d) Tous les animaux consignés doivent être dans le hall à bestiaux avant 19 h le vendredi. En cas d'urgence, téléphoner Jonathan (902-890-0303) ou Rosemary (902-890-4212).

3. La commission de vente est de 10%. Toutefois, aucune commission ne sera prélevée dans le cas d'un agneau vendu pour le compte d'un membre d'un club 4-H de la Nouvelle-Écosse, s'il s'agit de son animal de projet 4-H.

4. L'ordre de vente : Les animaux sont vendus selon l'ordre établi dans le catalogue. D'une année à l'autre, l'ordre de présentation des races et des consignateurs fait l'objet d'un roulement selon l'ordre alphabétique. En 2013, les races dont le nom commence par la lettre « K » seront en début de liste. À l'intérieur de chaque race, l'ordre est déterminé par le nom du consignateur et le point de départ avance de cinq lettres chaque année. Cette année, les consignateurs dont le nom commence par la lettre « J » seront en début de liste.

5. Toute substitution (laquelle est permise pour les animaux de même race) et tout **changement** de la taille des lots doivent être communiqués au secrétaire du comité de vente avant l'inspection du comité de triage. Les changements seront affichés sur l'enclos et près du bureau de vente.

6. Des données relatives au rendement des animaux en consignation peuvent être fournies à l'enclos.

7. Les consignateurs doivent être présents pour la vérification du vétérinaire et pour indiquer le **numéro de lot** sur le dos de chaque animal.

8. Les consignateurs doivent accompagner leurs animaux dans l'arène, puis les reconduire dans l'enclos.

9. Aucun animal pour lequel des droits d'exposition sont réservés ne pourra être mis en vente.

10. Tout animal mis en vente est la responsabilité du vendeur jusqu'à ce qu'il soit vendu. À ce moment, l'acheteur en assume la responsabilité.

11. Aucun animal, sauf les animaux mis en consignation, ne sera admis dans l'enceinte le jour de la vente.

12. L'Association ne permet pas aux vendeurs individuels de fixer un prix de départ minimum.

- 13.** La **tonte lisse** des béliers n'est pas obligatoire, mais elle est toutefois recommandée.
- 14.** Toutes les **plaintes** doivent être transmises au comité de vente dans un délai de 2 heures après la vente, ou avant que l'animal quitte les lieux de vente.
- 15.** Tout acheteur doit se rendre au bureau de vente avant le début des enchères afin de se procurer un **numéro d'acheteur** et fournir au personnel responsable tous les renseignements pertinents pour le transfert de propriété des animaux enregistrés.
- 16.** Tous les **animaux sortant de l'enceinte** doivent être inspectés par le comité de vente avant leur chargement. Les animaux peuvent être transportés seulement après la conclusion des enchères ou en ayant obtenu l'autorisation préalable du secrétaire du comité de vente.
- 17. Mise à la réforme :** Le **consignateur se porte garant de tous les animaux inscrits**. Dans l'éventualité que le comité de vente déclare un animal inadmissible en vertu des critères suivant, l'animal en question sera enlevé et ne pourra être mis en vente.
(État de santé) Le comité de triage se conformera aux recommandations du vétérinaire relatives à l'état de santé de l'animal inspecté, et le jugement de ce dernier sera définitif.
- Liste de contrôle :**
État de santé global : trouble respiratoire, diarrhée, état corporel, problèmes oculaires, parasites externes, hernie, lésions (p. ex. ecthyma contagieux).
Santé génésique : testicules, pénis.
Pieds : signes de piétin infectieux, de boiterie.
Bouche : lésions ou abcès.
Conformation corporelle : imperfection physique visible à signaler au comité de triage.
- (Conformation corporelle)** Les recommandations du vétérinaire relatives aux imperfections physiques seront considérées, toutefois la décision définitive revient au comité de triage.
- Liste de contrôle :**
Toute imperfection pouvant se présenter chez n'importe quel mouton, sans distinction de race
Bouche : malformation de la bouche, suroclusion ou sous-occlusion sévère
Pieds et pattes
Pis
- (Animaux croisés)** Le comité de triage examinera les brebis croisées afin de vérifier leur état de santé mais ne pourra leur accorder autant d'attention qu'aux brebis de race pure.

18. Offres d'Achat : Si vous ne pouvez pas vous présenter à la vente aux enchères, vous pouvez faire vos offres par téléphone ou par la poste en communiquant avec:

Draft Sheep Code of Practice

Released for Public Comment

For immediate release

(Ottawa) 09 July 2013 - The Canadian Sheep Federation (CSF) and the National Farm Animal Care Council (NFACC) are pleased to announce the launch of the public comment period on the draft *Code of Practice for the Care and Handling of Sheep*.

The draft Code can be viewed and submissions made at www.nfacc.ca/codes-of-practice/sheep until **September 6, 2013**. The public comment period allows stakeholders - sheep producers, consumers and others with an interest in the welfare of sheep - to view the draft Code and provide input to the final Code. All submissions must be made through the online system and follow the instructions provided.

A Scientific Committee report summarizing research on priority welfare topics for sheep can be found online alongside the draft Code. This peer-reviewed report aided the discussions of the Code Development Committee as they prepared the draft Code of Practice. The committee includes researchers with expertise in sheep behaviour, health and welfare.

"The Code Development Committee has worked hard for the past two years developing the draft Code," says John Hemsted, sheep producer from Ontario and Chair of the Code Development Committee. "This public comment period will allow us to ensure we are on the right track in providing sheep owners with the information they need to meet the needs of their animals. All feedback received through the public comment period will be considered by the committee as they finalize the new Code."

"It's been a pleasure to work with this diverse group of people to develop a draft Code that greatly advances the welfare of sheep," says Dr. Carol Morgan, Canadian Federation of Humane Societies representative on the Code Development Committee. "We hope to receive broad input from the general public and from those involved in the sheep industry to ensure this Code reflects the values of Canadians and ensures good care of sheep."

The sheep Code revision is led by a 17-person Code Development Committee. Members include sheep pro-

ducers, animal welfare and enforcement representatives, researchers, veterinarians and government representatives. The final sheep Code of Practice will be released by the end of this year. More information on the Code development process is available at www.nfacc.ca/codes-of-practice.

The sheep Code is one of eight Codes of Practice currently under revision as part of a multi-year NFACC project. Codes of Practice serve as our national understanding of animal care requirements and recommended practices. It is important Codes be scientifically informed, practical and reflect societal expectations for responsible farm animal care. The Codes cover housing, feed and water, handling, euthanasia, transport and other important management practices.

Funding for the Codes of Practice is provided by Agriculture and Agri-Food Canada's Agricultural Flexibility Fund, under the Addressing Domestic and International Market Expectations Relative to Farm Animal Welfare initiative, as part of Canada's Economic Action Plan.
