Christine and David Brown  
3504 Hwy 1, Upper Clements, Annapolis County

Christine and David Brown operate a mixed beef and sheep farm situated at Upper Clements in Annapolis County. The farm has been in the family since 1947.

The farm consists of approximately 250 acres of agricultural land and a managed 200 acre woodlot. The majority of the agricultural land is dyked marshland along the Annapolis River.

There are about 200 ewes which are bred in mid October and produce between 425 to 500 lambs in early March. The majority of these lambs are born within 3 weeks. All of the lambs are marketed to D'Aubin Family Meats in Bridgetown and Oulton Meats Limited in Martock.

It is a closed commercial flock with only the occasional ram being purchased. Romanov, Dorset and Rideau rams are used.

The farm also has around 32 beef cows which are bred to calve in early April of each year.

An Agricultural Biodiversity Conservation Plan and an Environmental Farm Plan have been previously prepared.
