GENERAL

I am a positive person who likes new challenges and this would be a great challenge for me to accomplish.

I am also hardworking, loyal, honest and always proud of my work. Teamwork is very important to me and I always try and solve conflict effectively.

My passion in life is sports. I grew up on a farm in the Northern Cape, South Africa and my hobbies are sports and being outdoors.

I completed my B-tech degree in Agriculture in 2011. I qualified as a tutor and have years of practical experience at CPUT.

I thrive on challenges as they are a fast track to self development, therefore I have the confidence and the ability to successfully achieve goals set.

I value this opportunity to advance my career within your Company. If you feel my attributes are relevant, I am available for an interview at your convenience.
