

# PASTURE

## SCAVENGER HUNT

How much biodiversity is in your pasture? Take part in the scavenger hunt and find out! Prizes available at our workshop in the fall for those who take part!

- ✓ Legumes
- ✓ Grasses

**Join The Hunt!**

# TAKE PICTURES OF IDENTIFYING CHARACTERISTICS

## HOW MUCH BIODIVERSITY DO YOU HAVE?

From big to small, we want to see it all. Check it off the list, snap a picture, and send it in! Attend a workshop this fall to go over what you found, and win prizes!

### START TODAY!

#### More Information:

Check out Chapter 6 in the Pasture Manual that Perennia has published on how to identify the species in your pasture. Still unsure what you have? Take a picture and send it our way! We'll try and help you identify what it is.

<https://ofcaf.perennia.ca>

### OUR RULES

- Clear, identifiable pictures
- Must be from your pasture
- Prizes for the most complete, most unique and best quality pictures
