Membership Application Information

We try to keep updated records of our membership list for the Purebred Sheep Breeders' Associations of Nova Scotia. Our reasons for doing this is as follows:

- 1) So we have your correct contact information (i.e. mailing address, civic address, phone #, fax # and email address etc.)
- 2) As postage is costly we are hoping to send more information via email. Those without will continue to receive their information in the mail.
- 3) We often receive request from people looking to purchase certain breeds of sheep. If we have the information we can direct their inquiries.

So please take the time to fill out the form on the back and return it with your membership fee included. If you have any question please feel free to contact me, Rosemary Wort
